## WILDFIRE REVENUE DONATION PROGRAM

### Purchase Endovac & Help The Cause

You may not have heard about it in the National Media, but Texas, Oklahoma, Kansas, & Colorado Ranchers have been devastated by Wildfires. Thousands of cattle lost, more injured, forages destroyed, homes burned, & rancher lives lost.

We have seen many of our friends in the industry trucking hay, fencing supplies, and essentials to those in need. We asked ourselves what we could do with our resources to help. While none of these affected producers are thinking about giving vaccines right now, many across the country are. So, we are donating Endovac revenue the rest of March directly to organizations helping these ranchers.

### Can I use Endovac in my Operation?

All Cattlemen who vaccinate can use Endovac in their protocols. Vaccinate with Endovac this year, save some money, & make a difference. Plan on vaccinating in the next few months? Purchase now to make sure your vaccine dollars help the cause.

For questions on vaccine use and sourcing call: Jesse Brown (208)-559-8852

### Where will the funds go?

We will make all our final donations public for our customer's benefit. Some of the organizations we plan to donate to include the Kansas Livestock Foundation, the Oklahoma Cattlemen's Foundation, as well as several CO and TX organizations. Have Suggestions, give Kourtney a call.

### Can I donate funds in addition to purchasing Endovac?

While we are not a charity, and therefore cannot accept funds, we can connect you to organizations and individuals to donate to. We have boots on the ground in the area to help you identify recipients.

The MORE Endovac  
Vaccine You  
Buy...the MORE  
financial aid we can  
give!

Now through the  
end of March  
**IMMVAC**  
(Makers of Endovac)  
is donating revenue  
from Endovac Sales  
to Cattlemen  
recovering from  
Wildfires.
